

Response Sheet #1

Name _____ Date _____

Before you sort the objects, choose an object from the plastic bag and draw it on the Response Sheet. Name the object and describe three of its properties.

Object _____

Three properties of my object:

1. _____

2. _____

3. _____

Drawing of object:

Name _____ Date _____

Sort all of the objects from the bag into groups in the chart below.

Draw 2 of the objects in each group.

My Classification Chart for Task #2

<p>plastic</p>	<p>metal</p>
<p>wood</p>	<p>other</p>

Name _____ Date _____

My Classification Sheet for Task #3

Now, sort these objects into two groups. Label the boxes with the words that tell how you sorted.

Name _____ Date _____

Response Sheet for Task #4

Mother found another object on the floor.

It is a pair of scissors.

Draw the scissors where they belong.

Why do they belong in that box?

Why didn't you put them in another box?

<p>plastic</p>	<p>metal</p>
<p>wood</p>	<p>other</p>
